

St. Finbarr's Boys' National School

CHILD PROTECTION POLICY

Introductory Statement

The staff and representatives of parents of the school drafted the following policy in October 2006 and it was reviewed in October 2010.

Rationale

The BOM of St Finbarr's Boys' N.S. has adopted the Department of Education and Science Guidelines and Procedures for schools in relation to Child Protection and Welfare. This policy is an outline of how St Finbarr's Boys' N.S. proposes to implement these guidelines in order to ensure the protection and welfare of all children attending our school.

Relationship to Characteristic Spirit of the School

St Finbarr's Boys' NS seeks to help the children to grow and develop into healthy, confident, mature adults, capable of realising their full potential as human beings. We strive to create a happy, safe environment for the children where they feel secure, knowing that if they have concerns, they will be listened to with understanding and respect and they will be acted on.

Aims

1. To raise awareness of child abuse among all school staff (including Teachers, SNAs, caretaker etc.), namely, emotional, physical, sexual and neglect, and all the education partners in our school.
 2. To put in place clear procedures for all school personnel dealing with suspicions and allegations of child abuse.
 3. To identify other policy areas which need to be amended in light of the 'Child Protection Guidelines'.
 4. To identify curricular content and resources that contribute to the prevention of child abuse and to enable children to properly deal with abuse if it occurs.

- iv. Once it is deemed necessary by the DLP and Chairperson to make a report (after receiving advice from the HSE) the Chairperson will convene and inform a meeting of the BOM as soon as possible.
- v. Where the alleged abuse has taken place within the school, or relates to the abuse of pupils of the school, by school employees outside of school time, the BOM will investigate the matter. They will convene a further meeting, once the relevant information has been gathered. At this meeting the BOM will consider in detail
 - the allegations made and their source,

- ix. Where it is not possible for the BOM to conduct an enquiry into allegations (e.g. where abuse has occurred in past employment, or where the employee is undergoing investigation by relevant authorities), the Chairperson will act on advice of authorities. The Chairperson will maintain close contact with the HSE and receive reports and records from them where appropriate.

2.2. Role of the Staff Member (to include Teachers, SNAs, Caretaker, Secretary etc)

a. It is the responsibility of all teachers and staff members to familiarise themselves with the *Children First National Guidelines for the Protection and Welfare of Children (1999)* especially

- Chapter 3 Definition & Recognition of Child Abuse
- Chapter 4 Basis for Reporting & Standard Reporting Procedures
- Appendix 1 Signs and Symptoms Of Child Abuse

b. Guidelines for teachers and staff members in handling...

1. Disclosures from children

a. Where a child discloses alleged abuse to a staff member, the person receiving that information should listen carefully and supportively. Great care must be taken not to abuse the child's trust. This should not be a formal interview. The following advice is offered:

- Listen to the child.
- Do not ask leading questions or make suggestions to the child.
- Offer reassurance but do not make promises.
- Do not stop a child recalling significant events.
- Do not over-react.
- Confidentiality should not be assured - explain that further help may have to be sought.

- Record the discussion accurately noting
 - *What, where and when?*
 - *Descriptions and possible sketches of physical injuries.*
 - *Explanations of injuries using direct quotations if appropriate.*
 - Retain the record securely.
- b. The staff member should obtain only necessary relevant facts. It is not the responsibility of school personnel to investigate allegations of abuse.
 - c. The DLP should then be informed and given relevant records.
 - d. If the suspected abuser is the DLP then the suspicion and any records will be passed on to the Chairperson who will proceed as per guidelines.

2. Suspicions of Abuse:

- a. Staff members who suspect abuse should refer to *Children First National Guidelines for the Protection and Welfare of Children (1999)* especially
 - Chapter 3 : Definition & Recognition of Child Abuse
 - Chapter 4: Basis for Reporting and Standard Reporting Procedures
 - Appendix 1: Signs and Symptoms Of Child Abuse
- b. Staff members should observe and record over time the dates/signs/symptoms/behaviour causing them concern.
- c. They should inform the DLP and pass on all records.

2.3. Role of the Designated Liaison Person (DLP)

- a. The DLP acts as a liaison with outside agencies, HSE, Gardaí and other parties with child protection concerns
- b. The DLP will inform all school personnel of the availability of the Children First Guidelines in the school. S/he will photocopy and circulate to all staff Chapters 3 & 4 & Appendix 1 of these guidelines and advise on good practice.
- c. The DLP will be available to staff for consultation regarding suspicions or disclosures of abuse. S/he will keep records of these consultations.
- d. The DLP will seek advice from the HSE.
- e. The DLP will report suspicions and allegations of child abuse to the HSE or/ and Garda Síochána based on this advice.
- f. The DLP will maintain proper records in a secure, confidential manner and in a secure location.
- g. The DLP will keep up to date on current developments regarding child protection.

Guidelines for the DLP in handling reported concerns and disclosures

- a. Where the DLP/Deputy DLP have concerns about a child, but are not sure whether to report the matter to the HSE, they should seek appropriate advice. To do this the DLP/Deputy should make informal contact with the assigned (on duty) Social Worker. The DLP/Deputy in this case, should be explicit that s/he is requesting advice and not making a report. If advised to report the matter, the DLP will act on that advice.
- b. A report will then be made to the HSE by the DLP/Deputy in person, by telephone or in writing. In the event of an emergency or non-availability of HSE staff, the report should be made to the Gardaí. The DLP should also report the matter to the Chairperson of the BOM, who should then follow the procedures as outlined in Chapter 4 (Section 4.3) of Children First National Guidelines for the Protection and Welfare of Children (1999).
- c. A standard reporting form is completed by the DLP/Deputy as comprehensively as possible (See Appendix 1). P 110 of Children First: National Guidelines for the protection and welfare of children
- d. Parents/guardians will normally be informed that a report is being made. It may be decided that informing the parent/carer is likely to endanger the child or place the child at further risk. The decision not to inform the parent/carer should be briefly recorded together with the reasons for not doing so.
- e. When the allegation is against the DLP, the chairperson then assumes responsibility for reporting the matter to the HSE and filling in the standard reporting form.
- f. Where there are allegations or suspicions of Peer Abuse the DLP will follow the same procedures.
 - Parents of all parties will be notified and the DLP will inform the Chairperson.
 - Principal and class teachers will make arrangements to meet separately with all parents, to resolve the matter.
 - The school will make arrangements to minimise the possibility of the abusive behaviour recurring.

3.0 CHILD PROTECTION MEETINGS (Case Conferences):

- a. A request is made from the HSE through the D.L.P. who should consult with the Chairperson of the B.O.M. of the school. The Chairperson may seek clarification through the D.L.P. as to why the attendance of the school employee is necessary and ascertain who else will be present.
- b. The school employee may complete a report for the meeting/conference. (See Appendix 3 – Child Protection Guidelines and Procedures).
- c. The school employee will be advised if children/parents/guardians are going to be present. The school employee may contact the Chairperson of the Child

Protection Meeting for advice.

- d. The school employee may keep a child's behaviour under closer observation, if requested to do so. This may include observing the child's behaviour, peer interactions, school progress or informal conversations.
- e. In all cases, individuals who refer or discuss their concerns about the care and protection of children with HSE staff, should be informed of the likely steps to be taken by the professionals involved. Where appropriate and within the normal limits of confidentiality, reporting staff will be kept informed about the outcomes of any enquiry or investigation following on from their report
- f. Teachers attending a child protection meeting/case conference should familiarise themselves with the protocol outlined on pgs. 116-120 of the Children First National Guidelines for the Protection and Welfare of Children (1999)

The following policies have been addressed in this review:

Supervision

Accidents

Record Keeping

Induction of all New Staff

Communication

Bullying

Swimming

Children travelling in teachers' cars

Induction of Pupils

Attendance

Supervision

School supervision policy will be followed by all staff to ensure that there is comprehensive supervision of children at all breaks and before and after school. Principal/deputy principal will be involved before/after school supervision. A further rota will be displayed to cover 10.45 a.m. and lunchtime breaks.

Visitors

Teachers on yard duty will be aware of visitors entering the schoolyard and will ascertain their intentions. They will be supervised in the discharge of their business. All visitors in to the school must report to reception desk. Side doors will be locked during class time and visitors will use the main front entrance.

Bullying

Bullying behaviour will be addressed under our Anti-Bullying policy. If

the behaviour involved is of a sexualised nature or regarded as being particularly abusive then the matter will be referred to the DLP.

Accidents

While every precaution will be taken under our Health and Safety Statement to ensure the safety of children, we realise that accidents will happen. Accidents will be noted in our Incident book and will be addressed under our accident policy as part of Health and Safety.

Children travelling in staff cars

Teachers will not carry children alone in their cars at any time.

Record Keeping

Teachers will keep each child's file updated with results of assessments carried out, samples of pupil's work, dates and details of meetings with parents. The records are kept in the filing cabinet provided in the classrooms. Notes from parents and all other information to be kept centrally in office. Roll books will be updated daily. Sensitive information regarding children will be shared on a need-to-know basis. All educational files of pupils who no longer attend this school are kept in the filing cabinet in the office until the pupil reaches the age of 21 (24 in the case of SEN pupils)

Induction of Teachers and Ancillary Staff

The DLP will be responsible for informing all new teachers and ancillary staff of the Children First Guidelines (1999). The DLP will give a copy of Chapters 3 & 4 and Appendix 1 and this Child protection policy to all new staff. All new teachers are expected to teach the objectives in the SPHE programme. Liz Dix is responsible for the mentoring of new teachers and will be responsible for supporting new teachers as they implement the SPHE objectives. Liz Dix is responsible for ensuring that new teachers know how to fill in the roll book correctly and informing the teacher of record keeping procedures within the school.

Induction of Pupils

All parents and children will be made aware of attendance rules and their implications as laid down in the Education Welfare Act (2000). All parents will be informed of the programmes in place in the school that deal with personal development e.g. RSE, Walk Tall and SPHE. All new parents are given a copy of the school's enrolment policy, which outlines the procedures parents and children should use when contacting the school if there are absences or concerns of an educational/personal/family matter. Parents are encouraged to make an appointment with the class teacher/principal if they wish to discuss their child's progress. All parents are given a copy of the school's Code of Behaviour and Anti-Bullying policies.

Communication

Every effort will be made to enhance pupil-teacher communication. If pupils have concerns they will be listened to sympathetically. The SPHE/Oral English/RE programmes allow for open pupil-teacher communication, which is hoped will aid the pupil-teacher relationship. If teachers have to communicate with pupils on a one-to-one basis, they are requested to leave the classroom door open. Further details on

communication are found in the school's Communication Policy.

Attendance

Our school attendance will be monitored as per our attendance policy. With regards to child protection we will pay particular attention to trends in non-attendance. We will also monitor non-attendance in correlation with signs of neglect/physical/emotional abuse.

5.0 Curriculum Implications

Introduction

In St Finbarr's Boys' NS all children will be cherished and in fulfilling the general aims of the Revised Primary Curriculum we will :

- *Enable the child to live a full life as a child and to realise his or her potential*
- *Enable the child to develop as a social being through living and co-operating with others and so contribute to the good of society*
- *Prepare the child for further education and lifelong learning*

In endeavouring to realise these aims we will create a positive school climate which is open, inclusive, respectful, fair, democratic and tolerant and which seeks to support the holistic development of all children and all adults working with our children. The strategies we will use to create this environment are detailed in our SPHE Plan and will involve:

- Creating a health-promoting physical environment
- Enhancing self-esteem
- Fostering respect for diversity
- Building effective communication within the school
- Developing appropriate home-school communication
- Catering for individual needs
- Developing democratic process
- Fostering inclusive and respectful language

We strive to ensure that our school will be physically and emotionally safe and we will deliver the curricular content of our SPHE programme with a view to giving our children the protective skills of self-esteem and assertiveness. The *No-Blame* approach will be adopted in our Anti-Bullying policy. Co-operative interpersonal skills will be developed through working in pairs and working in groups. Older children will be encouraged to work positively with conflict and negotiation and consensus building skills developed.

2nd class

Teachers will teach content objectives as laid out under the 10 strand units in our SPHE programme. They are:

- Self Identity
- Taking care of my body
- Growing and changing
- Safety and protection
- Making decisions
- Myself and my family
- My friends and other people
- Relating to others

- Developing citizenship
- Media Education

Again teachers agreed that implementing our SPHE programme as laid out under the 10 strand units named above would enable the children to develop skills, knowledge and attitudes pertaining to self-esteem, esteem for others and the environment and skills pertaining to self-care and disclosure. Healthy eating, positive attitudes to drug use and anti-bullying awareness will be introduced.

The SPHE programme will be supported by using the Walk Tall resources, our Alive-O programme, Health Safety Executive materials and Stay Safe programme.

3rd and 4th classes

Our SPHE programme will again be implemented according to the 10 strand units. Knowledge, skills and attitudes developed in previous classes will be built on. Children will be enabled to develop intra-personal skills and inter-personal skills. As children mature they will be challenged to develop their decision-making skills. They will be encouraged to develop self-protection skills pertaining to smoking and alcohol. Peer pressure and the influence of the media will also be examined. The development of self-esteem, esteem for others, assertiveness, awareness of feelings, and skills around self-protection and disclosure will underpin our teaching.

Our SPHE programme will be supported by the use of Walk Tall resources, Prim-Ed anti-bullying materials, RSE materials and Stay Safe programme.

5th and 6th classes

Our SPHE programme will be implemented according to the curricular objectives as laid out under the 10 strands in the SPHE Revised Primary Curriculum. Skills, knowledge and attitudes developed in earlier classes will be enhanced. Children will continue to develop self-awareness and positive attitudes to themselves, others, their environment and wider world in which they live. Self protection and respect for others will be fostered, decision-making skills developed, peer influence and media bias examined. Knowledge of drugs and positive attitudes to drug use will be further developed. Children will be enabled to develop good group-building skills, anti-bullying awareness and conflict resolution skills. Self-protection will be emphasised and protection of younger, less able people. Positive attitudes to sexuality will be developed and respect for self and others fostered (see RSE policy).

The SPHE programme will be supported by the use of the Walk Tall materials, RSE resources, Stay Safe resources and HSE resources.

Success Criteria

We will evaluate the success of this policy using the following criteria:

- Delivery and participation by all staff in training
- Delivery of the SPHE curriculum
- Resources to support the delivery of SPHE
- Delivery and participation by children in the Stay Safe Programme
- Assessment of these procedures by participants following a child protection case
- Feedback from all staff

Timeframe for Implementation

These procedures will be implemented following ratification by the BOM.

Timeframe for Review

At the first staff meeting of every year the DLP will remind all teachers of the guidelines and copies of Chapter 3 & 4 & Appendix 1 of The Children First Guidelines will be given to those who require them.

A review will be conducted based on the criteria above, following any and all incidents when the guidelines are used.

Responsibility for Review

- DLP
- Principal
- All Staff

This policy was updated and ratified by the Board of Management of St Finbarr's Boys' National School in October 2010
